

**Memorandum of Understanding
Between the
Wenatchee Education Association and the Wenatchee School District**

Section 6.B. Work load and class size provisions

2.b Elementary librarians: Classified time for elementary librarians shall be assigned according to class sections per building as follows:

| | |
|---------------------|--------------------|
| 14 sections or less | 300 hours per year |
| 15-20 sections | 375 hours per year |
| 21 sections or more | 450 hours per year |

An elementary teacher librarian's maximum teaching sections are to be 80% of an equivalent specialist section based on the building schedule. It is the goal to designate the remaining 20% of sections per week as "library management time" in the library teacher specialist schedule. The intent is that this be accomplished without closing the library during the school day and library management time will be not less than 15%

The District will provide each librarian paid time to train their library secretary for the 20-21 school year.

Duration of agreement

This memorandum of understanding will be in effect from the date of its signature until August 31, 2021.

Agreed on the 25 Day of Feb, 2020
