General Information: Our WenEA building reps are the heart of our union. They play an invaluable role in supporting our members in a multitude of ways and are the key to creating the solidarity that makes our union so successful. This award is designed to recognize those individuals who have shown exceptional service to the members they represent.

How to nominate: Please submit this form and attach a brief description about why you believe your building rep deserves this recognition. The following is not intended to be an exhaustive checklist, but rather items to consider. My Building Rep:

- helps members feel proud and confident in our union;
- provides leadership and expertise to support building governance;
- understands their members and their needs, and looks for and takes advantage of opportunities to advocate for them;
- maintains an attractive and informative WenEA bulletin board;

- holds regular/monthly 10-minute meetings to keep members “in the loop;”
- makes a special effort to reach out to new members;
- provides opportunities for every member to vote for Rep Assembly delegates and exec board members;
- educates members about the importance of our political action committees (WEAPAC & NEAPAC) and encourages them to join;
